Self-Supporting

Here at St John & St Philip, we are entirely self-supporting. We receive no money from the Diocese or from other outside sources. As such, we are entirely dependent on the generosity of our congregation members for the smooth running of our church.

A Church is Love in Action

This allows us to offer services of worship, children and youth programmes, adult Christian education courses and small groups, fund local and overseas mission projects, and reach out to the city around us.

We believe that giving is a grateful response to God's faithful generosity to us - in all circumstances - and that generosity brings joy to the giver.

Charitable Donation

The church is a registered Public Benefit Organisation (ANBI status), so donations may be deducted from your Dutch income tax or corporate income tax.

Stewardship

The buildings and the leafy gardens around St John & St Philip are a blessing from previous generations. Our aim is to care for them and keep them in good order for future generations, a symbol of faith at the edges of the city and the woods.

We also aim is to continue to make them ever more 'green' by reducing our carbon footprint through additional energy-efficiency improvements. Your donations can help make that goal a reality. In this, we care for the creation God has entrusted to us.

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9: 7

Prayerful Giving

Is it time for you to give regularly through arranging an automated bank transfer?

When was the last time you increased your giving? Is it time for a raise?

The biblical concept of tithing teaches that each should give according to their means a percentage of what they have.

Monthly income	Monthly Giving		
	2%	5%	10%
€1000	€20	€50	€100
€2500	€50	€125	€250
€7500	€150	€375	€750

New Testament teaching about sharing what we have comes not from religious obligation, but the joy that comes from generosity as a thankful response for all we have received from God in Christ.

Planned, regular, and year-round giving allows the Church Council to budget for the coming year. Your commitment is an honest intention, not a binding contract. You can change or cancel as necessary.
